WALID HLALI

JUNIOR WEB DEVELOPER

PERSONAL PROFILE

I am a junior web developer who is proficient in both back-end and front-end frameworks.
I'm bilingual French and English, written and spoken.
I am always eager to learn and share more tricks with anyone. Creating and solving code coupled with the continual desire to learn are my main drivers.
I'm adaptable and open to challenges.
I love what I do, I keep coding, testing and learning new frameworks and programming languages everydays.
